Observers brief

There are no **right** or **wrong** answers to this exercise. The exercise is about how individuals **behaved** and **interacted** as part of the group.

Think about and note down your observations by considering the following assessment criteria (Add others that are relevant and measurable if required):

Contribution

- Whether they help prioritise items to keep on the island?
- Do they back up their suggestions with good justification/rationale?
- Do they participate well?

Teamwork

- How do they respond when challenged
- Do they negotiate?
- Do they help the task along?

Leadership

- Do they influence how the task is approached?

Communication skills

- Do they listen?
- Is their communication style appropriate?
- Do they put across their views confidently?
